B.S. in Security Informatics

Woodlan Jr/Sr High School –

Woodburn, IN

2018-2022

Graduated with a 4.0+ GPA
and Principle's Scholar

EXPERIENCE

Front Desk Staff @ Biddle Hotel

03/2024 - Current

I performed several tasks at the Front Desk: check-in guests, check-out guests, assist housekeeping during busy weekends, solve any issues a guest may have, and provided a welcoming first-impression for new guests staying at the hotel.

Sales Advisor @ Best Buy

10/2022 – 01/2023

I assisted customers in my department. I gave helpful thoughts and remarks to help customers to make a better decision on what they wish to purchase. Introduced several of Best Buy's services that they offer, such as credit cards and memberships. Ensured the sales floor in my department was kept clean and professional.

Customer Specialist @ Walmart

09/2021 – 10/2022

Ensured the shelves in my department were fully stocked and well-maintained. Assisted customers if they needed an item or if they had any questions. Updated the department as the holidays changed (set up for Halloween, Christmas, etc.)
